

Northgate Primary School Accessibility Plan 2017-20

Improving the Physical Access at Northgate Primary School

An Access Audit was carried out and a number of recommendations made.

Access Report Ref:	Item	Activity	Timescale	Cost (estimated) £
1	Signage	Appropriate signs for visually-impaired (tactile door signs)	By Sept 2019	Included in refurbishment and new build programme
2	Signage	Clear signage directing visitors to main entrance	By Sept 2018	£250
3	Uneven areas in playground and on footpaths	Repaint/paint white/yellow lines to make level transitions and fill holes	By Sept 2018	Included in new build programme

Number 3 has been completed, all playground and access areas have been repaired and repainted. Since completion a sink hole has opened on the drive and NPS are in negotiation with Morgan Sindall to rectify this as it has occurred on a piece of ground recently refurbished by the building company.

Number 2 has been completed and we await new signage for clarification of parking and other restrictions.

Number 1 is yet to be completed.

J Bailey

Chair of Governors
