

WHOLE SCHOOL ATTENDANCE POLICY

NORTHGATE PRIMARY SCHOOL

Northgate Primary School is committed to providing a full and efficient education to all pupils and embraces the concept of equal opportunities for all.

We will endeavor to provide an environment where all pupils feel valued and welcome.

For a child to reach their full educational achievement a high level of school attendance is essential. We will consistently work towards a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance.

School attendance is subject to various education laws and this school attendance policy is written to reflect these laws and the guidance produced by the Department for Education

Each year the school will set attendance/absence targets.

The school will review its systems for improving attendance at regular intervals to ensure that it is achieving its set goals.

This policy will contain within it the procedures that the school will use to meet its attendance targets.

GY7 Cluster Protocol states: "No school age children to attend any other school's events during school hours."

Promoting attendance

The foundation for good attendance is a strong partnership between the school, parents and the child.

The Home/School agreement will contain details of how we will work with parents and our expectations of what parents will need to do to ensure their child achieves good attendance.

We will ensure that our pupils are made aware of the importance of good attendance and how this will benefit them.

Leave of absence in term time

Leave of absence during term time will be discouraged. Parents will be reminded of the effect that absence can have on a pupil's potential achievement. The school will consider any application for leave of absence and will only agree to authorize the absence in exceptional circumstances; parents must apply in advance for permission for their child to have leave of absence.

A model leave of absence form is available in the Behaviour and Safety/School Attendance section of the Norfolk schools website

School Procedures

Any child who is absent from school at the morning or afternoon registration period must have their absence recorded as being authorised, unauthorised or as an approved educational activity [attendance out of school]. Only the headteacher or a member of staff acting on their behalf can authorise absence. If there is no known reason for the absence at registration, then the absence will be recorded in the first instance as unauthorised.

The coding for any absences will be in accordance with the guidance provided by the Department of Education.

Registers

Registers are carried out electronically in each class using the SIMs system, these are then submitted and picked up by the office staff who carry checks to see which children are absent and whether we have reasons for their absence that day. If no reason for absence is given first day calling is carried out and if there is no reply from this then text messages are sent. Office staff enter details of any children who have come in late that day with reasons for their lateness.

Lateness

Morning registration will take place at the start of school at 8:50 am. The registers will remain open for 20 minutes. Any pupil arriving after this time will be marked as having an unauthorised absence unless there is an acceptable explanation i.e. school transport was delayed. In cases for example, where the absence at registration was for attending an early morning medical appointment, the appropriate authorised absence code will be entered, when supported by medical evidence e.g. doctors note, appointment letter.

The afternoon registration will be at 1:00 pm

Pupils arriving after the start of school but before the end of the registration period will be coded as late before registers close.

First Day Absence

Parents are asked to contact the school if their child is absent. On checking the registers, if there has been no message received regarding the child's absence, the office staff will carry out first day calling to the parents. If there is no reply to the call, the parents will be sent a text message.

Ten Day's Absence

Any pupil who is absent without an explanation for 10 consecutive days will be notified to the Local Authority, by submitting a referral to the Children's Services Attendance Staff for the local area. *[This is a legal requirement]*. The school will include details of the action that they have taken.

Absence notes

Notes received from parents explaining absence should be kept for the remainder of the academic year. If there are attendance concerns about the pupil, that may require further investigation, then the notes may need to be retained for a longer period.

Frequent Absence

Within the school it is the responsibility of the office staff/class teachers to be aware of and bring attention to, any emerging attendance concerns. In cases where a pupil begins to develop a pattern of absences, the school will try to resolve the problem as soon as possible. The SMT meet monthly to review the attendance percentages of the children sending out letters to those who have attendance of below 92%. If attendance does not improve then parents are invited to a Support Panel in school. When attendance falls below 85% the child is referred to the AIO for Fast Track. For those children whose attendance improves, letters are sent home to acknowledge this improvement.

Persistent Absence [PA]

All pupils whose attendance level falls below 85% will be subject to an action plan to support their return to full attendance. These action plans will be set up by the Headteacher.

The parents will be invited to a panel meeting at which an action plan will be drawn up to include engagement with all parties who can support the pupil's attendance. *(this could include PSA input, referral to FSP process, signposting to breakfast/after school clubs etc.)*

A Welcome Back

It is important that on return from an absence all pupils are made to feel welcome. This should include ensuring that the pupil is helped to catch up on missed work and brought up to date on any information that has been passed to the other pupils.

Attendance Awards

The school will use the following system to reward pupils who have good or improving attendance.

Each week the class with the highest attendance percentage are rewarded with 'Attendance Ted' to keep in their class.

The classes who have no children late for school are rewarded each week with "On Time Turtle".

Parents are informed termly and half termly of their child's percentage of attendance for the year to date.

Children with 100% attendance are rewarded termly and half termly with a certificate and a dip in the “prize box”.

Children who attain 100% attendance for the year are rewarded with a book prize.

Categorisation of Absence

Any pupil who is on roll but not present in the school must be recorded within one of these categories.

1. Unauthorised Absence
2. Authorised Absence
3. Approved Educational Activity

1. Unauthorised absence

This is for those pupils where no reason has been provided, or whose absence is deemed to be without valid reason.

Computer registers will be preserved as electronic back-ups

Register Security

Registers or attendance marking sheets if used must be safely stored.

Attendance Targets

The school will set attendance targets each year. A system for analysing performance towards the targets will be established and a senior school manager will be responsible for overseeing this work. The school will make use of the attendance data available on the "RAISEONLINE" system, when setting its target. Targets will relate to national averages.

Our schools targets are:

Attendance rate of 94 % or above

2015/2016 94%

2014/2015 93.8%

Our PA targets will be:

2015/2016 15% PA 6% 20% PA 3%

Named Governor for Attendance: Julie Bailey

Action Plan

The school will produce an action plan to show how the school will set about achieving its attendance targets.

Any pupil with attendance below 85% over the school year is known as a persistent absentee, whatever the reason for the absences. The DfE has indicated that the level of absence that defines a child as being classed as PA may be reduced in future years.
