Year 1 Phonics Screening

This week the Year 1 children have undertaken the phonics screening check which takes place in all schools across the country. A special mention to the children who have worked so hard this year to develop their phonics skills - we are very proud of them!

Household Support Fund

This year the Government has given Norfolk County Council further funding to work with Borough Councils to support people with food, fuel and other needs. If you were able to access this funding, Norfolk County Council would like your feedback to learn what difference the funding made and information to help them shape the support that is offered in the future. The survey can be accessed at www.smartsurvey.co.uk/s/27WZ43.
