Weekly Northgate News - 24th May 2024

Dear Parents and Carers

Good News

I am pleased to announce that the following children have been recognised for outstanding work and achievements in this week's 'Good News' Assemblies:

Freddie E in Butterflies
Hadley H in Ladybirds
Ellie P in Bumblebees
Arthur P in Caterpillars
Emma S in Centipedes
Olivia N W in Dragonflies
Kamillia L in Jupiter
Antosia A in Saturn
The whole class in Mercury!
Logan S in Neptune
Haracel M in Mars
Lara S and Aaliyah Y in Venus
Alex C in Apollo
Milena in Soyuz

The house with the most points this week is Bitterns - well done!

Attendance

Well done to Neptune class for 99% attendance.

Centipedes, Dragonflies, Saturn class and Apollo class had 'no lates' - well done!

Clubs

This week is the last week of the sports and cooking clubs. Places for clubs after half term will initially be for children who have not yet attended any clubs this year.

Anyone who attends football and musical theatre club on a Tuesday and Chess and girls' football on a Thursday will remain in these clubs after half term.

Science Evening - Year 5 and 6

In association with Lowestoft and Great Yarmouth Regional Astronomers (LYRA), we are delighted to be hosting a talk for Year 5 and Year 6 children by Cambridge astronomer and author Dr Matthew Bothwell on the subject:

"Can you blow up the Sun? and other dastardly space questions." Join us to answer all these questions (and more!) on a dastardly tour of our deadly Universe.

This event will take place on Wednesday 5th June at 6pm in the hall and will last approximately an hour. The event is being advertised to Years 5 and 6 first as this subject directly relates to the Space curriculum the children learn at the end of Year 5. Spaces are limited so booking is required. Letters will be sent shortly - please contact the school office to book spaces. The event is free but we will be collecting donations on the night.
